# NCCOR Overview

## Mission
NCCOR’s mission is to improve the efficiency, effectiveness, and application of childhood obesity research and to halt—and reverse—the current childhood obesity trend through enhanced coordination and collaboration.

## Funders

## Goals
- Identify, design, and evaluate practical and sustainable interventions.
- Increase and improve national, state, and local surveillance.
- Improve the ability of researchers to conduct research and program evaluation.
- Provide national leadership to accelerate implementation of practice and policy.
- Work with non-health partners to integrate childhood obesity priorities.

## Coordinating Center
- Strategic Planning
- Communications
- Coordination
- Evaluation

## External Input
- NCCOR External Scientific Panel (NESP)
- Survey of Researchers & Investigators
- Senior Leadership Guidance
